CHARLEROI MAY RECEIVE GERMAN FIELD PIECE

Bill Now Before Congress Provides For Such Recognition To Borough

WOULD BE A FITTING REMINDER

A movement has been inaugurated thanks to the activity of a few of our local citizens, with a view of securing either a cannon or a fieldpiece captured by the American army from the forces of the Imperial German government, during the present war, which it is proposed to erect and maintain, in some spot in the Borough of Charleroi, yet to be definitely chosen, as a moménto of this never-to-be-forgotten struggle.

Burgess S. L. Woodward together with John G. Albright, secretary of the L. O. O. M., assumed the initiative in the matter, and made overtures to Congressman-at-Large M. M. Garland in the following letter:

Charleroi, Pa., January 6, 1919
Hon. M. M. Garland, M. C.
House of Representatives,
Washington, D. C.

Dear Sir:—We see where plans are being worked out to distribute the cannon, now being turned over to our army by the Germans, to the different cities and towns in this country.

As you know, we have a beautiful little park in the center of our town and earnestly hope you will do all you can to have our town put on the list.

We realize it may be several years before these cannons are distributed, but we know you will not forget us.

Thanking you for past favors and wishing you further success, we remain.

Yours very truly,
S. L. Woodward, Burgess.
J. G. Albright, Sec. L. O. O. M.

Congressman Garland, who was absent from Washington when the above letter reached there, acknowledged its receipt immediately upon his return to his congressional duties. That the movement appealed favorably to him is shown in the following reply:

House of Representatives, Washington, D. C.
January 27th, 1919

Mr. S. L. Woodward, Burgess;
Mr. J. G. Albright, Secretary;
Charleroi, Pa.

My Dear Sirs:—Upon my return I find your letter of the 6th of January, relative to obtaining some captured German cannons for your public park at Charleroi and I am doing so at this time. That is, I have introduced a special bill making claim for these cannons, and I shall be glad to report to you of any opportunity in the future to get them. I do not anticipate any trouble with the bill going through, but it may be some time before the cannon may be available.

Very Sincerely Yours,
M. M. Garland.

Under date of February 6th, Congressman Garland notified J. G. Albright and requested him to advise S. L. Woodward to the same effect, that on January 27th he had introduced the following bill, which was referred to the Committee on Military Affairs and ordered to be printed:

"Be it enacteed by the Senate and House of Representatives of the United States of America, in Congress assembled, that the Secretary of War be, and he is hereby ,authorized and directed to donate to the town of Charleroi, Pennsylvania, one cannon or field piece, captured by the American army from the forces of the Imperial German government, during the present war."

Congressman Garland's willingness and promptness in complying with the request of the local representatives will undoubtedly be appreciated by the citizens of Charleroi, and the thanks of the community are due him.

In view of the fact that practically eight hundred young men left their homes in Charleroi and vicinity to respond to their country's call, the location here of a captured field piece will prove a constant and fitting reminder, if such a thing were necessary, of the part this community played in the world-wide struggle for the democratization of the world and the utter rout of Prussian autocracy.

FORMER CHARLEROI MAN DIES IN CALIFORNIA

Word was received by Mrs. Simon E. Wilson of Fallowfield avenue of the death on Sunday at Alhambra California, of her brother-in-law John F. Wilson. Mr. Wilson was well known here having formerly lived in Charleroi, but moved to the western state about thirteen years ago. He is survived by his wife and one son.

NEW MANAGER FOR WALTON LUMBER CO.

George A. Hasson, who has been the manager of the Walton Lumber company for a number of years, has resigned his position and will leave Charleroi for Chester, W. Va., where he has accepted a position as manager of the lumber yards of Finley Brothers company. He will be succeeded in his present position by Bruce K. Barnett, formerly with the Charleroi Lumber company. Mr. Hasson's resignation takes place on the 15th of this month, when he expects to leave for his new location, and where he expects to reside permanently.

Local High Wins Fast Game From Farrell Team

The Charleroi high school basket ball team added another victory to its steadily growing list when it defeated the strong Farrell (Pa.) high school team at the local gymnasium, last Saturday e vening. There was a good attendance and the game was fast enough throughout to keep the final result in doubt, until the last few minutes of play.

The visitors are a likely looking crowd of athletes, most of them being tall and rangy. They showed much expertness in their floor work, but were woefully weak in their attempts to cage the ball. This failure was due in a great measure, to the splendid defensive work of their opponents.

The local team showed to good advantage, despite a too frequent tendency to fumble the ball on passes. They were quick on the recovery, however and the visitors profited nothing by these lapses. The most apparent weakness was among the foul throwers. Had full advantage been taken of the numerous opportunities afforded, Charleroi's score would have been at least seven or eight points higher. Neither team shone very resplendently in this respect, but Farrell led with 13 out of 27, while thelocals garnered but eight points out of the same number of chances.

A glance at thetotal of field goals scored will show that Charleroi secured ten, while Farrell made but five. This speaks well for the defensive work of thelocals. Frank Wagner, who is still not in the best physical conditioon, d ue to a recent illness, got into the game during the last quarter and, as usual, the team seemed to take on a new lease of life. The scorestood 16 to 8, in favor of the locals, at the conclusion of the first half, and was atie at 20, at the end of the third quarter. Charleroi added eight points in the concluding period of play, while the visitors were compelled to content themselves with but three.

Captain Glunt was in the game at every stage, and his efforts were well supported by the other members of theteam, all of whom are entitled to their full share of credit for the victory. Lloyd Wagner officiated as referee, and his work was very satisfactory. The summary:

Farrell—23		Charleroi—28
Kress	F	Glunt
Farrell	F	Weaver
O'Brien	C	Lowstuter
Rosenburg	R	Brown
Morris	G	McKenna

Substitutions: Charleroi, Wagner for McKenna; Farrell, Carroll for Kress. Field goals—Glunt 3, Lowstuter 3, Weaver 2, Wagner 2; Carroll 2, O'Brien 2, Farrell. Fouls—Glunt, 4 out of 16; Weaver, 2 out of 8; Wagner, 2 out of 8; O'Brien, 7 out of 15; Carroll 6 out of 12. Referee—Wagner.

PRECEDENT SET BY CRIMINAL COURT

A precedent was set in criminal court at Washington on Saturday last when Judge McIlvaine directed an indictment to be drawn and a case put on the trial list, for the present term of criminal court, without the bill being laid formally before the grand jury. Had this not been done the defendant, Matt Bezek of Canonsburg, who has been in jail since November 12 last, on an assault and battery charge, would have had to wait until the May term for his case to beheard. It developed that the justice of the peace before whom the case had been heard had not sent a transcript of the case of court, and there being no record in the district attorney's office, the grand jury was not called upon to pass upon the case. The attorney for the defendant called attention of the court to the predicament of his client.

WAGE DEMANDS MAY TIE UP BUILDING

According to the Friday Evening Call preparations for the greatest building campaign in the history of the Monongahela valley are at a complete standstill as the results of demands which are being made by the carpenters' and painters' unions of the valley. According to demands made known last week these two trades will, on and after May 1st next, go on a strike for wages of one dollar per hour, or forty-eight dollars per week. These trades at present pay eighty cents per hour. According to the terms of thelast agreement signed, three months notice to builders is required of a demand for increase of wages, so that the strike if no compromise is made, will take effect on the first of May.

Contracting firms are brought to a sharp halt in their estimates on buildings they had expected to construct during the next spring and summer, owing to the demands of the unions,as the uncertainty of the situation is too great to permit of giving permanent figures. What had promised to be a record breaking season of building has suddenly disappeared, and activities in this line will be at a standstill, unless differences are promptly adjusted.

IMPORTANT DATES ANNOUNCED FOR THE COMING FALL ELECTION

Only Four Parties Entitled To A Place On The Ballot

PRIMARIES, WEDNESDAY, SEP. 17

Four parties will be entitled to make nominations at the primaries, at the next state-wide election, according to the guide in political matters for Pennsylvania, issued by George D. Thorn, chief clerk of the secretary of the commonwealth. A few years ago there were nine, but with the last election the Washington, Bull Moose, Roosevelt Progressive and others dating from the 1912 campaign disappeared and the Fair Play, an off shoot of 1918, did not poll enough votes to give it standing as a separate organization.

The parties entitled to a place on the ticket next fall are the Republican, Democratic, Socialist and Prohibition.

The fall primary will be held Wednesday, September 17 and the general election Tuesday, November 4.

The first day for getting signatures to petitions to file with the secretary of the commonwealth is Monday, June 30, 1919.

The last day to file petitions of nominations with the secretary of the commonwealth for the primary is Friday, August 8.

The first day to get signatures on petitions to be filed with the county commissioners is Friday, July 11.

The last day for fi ling petitions with the county commissioners is Wednesday, August 20.

The last days to be assessed in boroughs and townships for the November election are Tuesday, and Wednesday 2 and 3. Assessors sit at polling places on these days.

The last day to pay tax to qualify for the November election is Saturday October 4.

The last day when candidates whose petitions are filed with the secretary of the commonwealth may withdraw before the primary is Friday, August 15, up to 4 o'clock p. m.

The voters living in townships and boroughs can be assessed and enrolled at the same time by applying to the assessor at the polling place, Tuesday and Wednesday, September 2 and 3, 1919.

GRADUATE CLASS IN ENDEAVOR WORK

Special exercises were held in the Washington Avenue Presbyterian church last evening, and were thoroughly enjoyed by the large audience present. The auditorium was decorated for the occasion and the Christian Endeavor colors of red and white predominated. The graduating class in "expert endeavor work" was shown great honor and received their diplomas at the close of the service, together with the pins designating their official capacity. The Rev. J. R. Burson presented both, representing t heir teacher, Mrs. Ellis Allman, and the United Society of Boston, Mass. A quartet composed of Messrs. Hassen, Burson, Bowman and Jobes sang a special number. The graduating class completed their study and were among the large number who joined in the anniversary festivities of the organization of the society.

The following composed the class: The Misses Bernice Clutter, Grace Gelder, Bess Richey, Bella Geho and Sophia Michener. The Washington Avenue society was one of the first in the valley to give comfort kits to the soldier boys and they have on file scores of letters from Europe and America expressing appreciation for the same. The exercises last evening brings to a close the present anniversary celebration.

Earl Wagner, who served with Company A, 110th Infantry, 28th Division and who was in many of the battles during the past summer and fall, arrived home Saturday evening. Louis Bertram is reported as having arrived at Newport News.

THE COKE TRAFFIC

It is not likely that coke traffic on the Monongahela river, which reached considerable proportions during the year 1918, will be a permanent feature of that waterway. Shipments which were made last spring were more of an emergency feature, the railroads being so tied up with war shipments that it was impossible to keep the furnaces supplied in the usual way with this commodity. There is no doubt, though, had the river been called upon to carry coke as a regular feature it would have done it in greater quantities and with less delay than is possible by rail.

However, the new by-product coke ovens, of which two of the largest batteries in the world are in the Monongahela valley, will serve to furnish coke for amny furnaces, which will consequently be permitted to do away with rail shipments of this kind. Moreover, the products of this coal, which will be transported largely from the upper pools of the Monongahela river, will add immensely to the wealth of the country in the utilization of all the ingredients found in the coal and all of which can be used for commercial purposes. Another feature will be the production of millions of feet of producer gas, all of which will be utilized by the furnaces for heating had to come from the gas companies in this section of Pennsylvania, but in a short time they will be relieved of this burden and will be permitted to turn their attention almost exclusively to the domestice consumer who can utilize all theproduct these companies have for sale. Already the Carnegie mills at Monestead are using gas from the by-products ovens at Clairton and before long all of the plants of this corporation will be supplied from the same source. While we are going to do away with the beehive type of oven and possibly reduce the activity of the Connellsville coke region to some extent, at the same time we are adding to our wealth by conserving valuable material which heretofore had been thrown away.

NO LETTING UP NOW

Uncle Sam was never prouder of the accomplishments of his fighting forces than he is right now.

And justly so.

Never in any war, since the surrender at Yorktown, have the fighting Yanks been humbled. Never have they failed to make good with a punch.

And in this greatest war the world has ever known it was the Yanks that stepped into the breach at the crucial moment and brought victory.

So Uncle Sam has all the right in the world to be proud.

So too have you, for they represented you just as much as they did Uncle Sam. They were fighting for your Liberty just as they were fighting for his honor.

They were fighting for the perpetuation of all that we and Uncle Sam stand for before the world. Aye more. For the liberties of the world itself.

And whether you personally, are grateful, there is no question of the gratitude of the world at large.

It hails Uncle Sam as the Moses that led it out of theshadows of despair into the light of hope. Into the newer broader democracy.

As these khaki-clad doughboys did their full duty, to the utmost all the way through, so too must we who didn't go to the front keep up our end

There must be no letting up now that the fight is won.

Our part is not finished entirely. There are still some billions of financial obligations to meet. Uncle Sam stands pledged to this.

And our dollars, yours and mine and the other fellow's must pay him through.

Shortly he will offer his fifth and last loan.

The Victory-Liberty Loan.
Greatest of them all.
Get ready.

GERMAN INSOLENCE

Leading Germans continue to make the threat that if the peace conference imposes too heavy a burden on the late German empire they will go to war again. Possibly such statements are made with a view of trying to induce the delegates now in session at Paris to modify some of the demands which the Germans will be called upon to fulfill. However, we have no idea that the conference will pay any attention to what Mr. Ebert and others of his tribe may say. When the peace terms are agreed upon the German representatives will be told where to sign; also to get back home and tell their people to "dig in," that the indemnities may be paid as rapidly as possible.

As an incentive to help along this admonistion the allies will in all probability have a sufficiently large army to enforce any regulation the allies may wish to impose and the said army to be maintained at least for a time at the expense of Germany. If Germany had been given the privilege to write the peace terms, it requires no prophet to tell what would have happened to France and England, and later the United States. Germany isgoing to pay the bill of the big war—and don't forget that.

Governor Sproul has a very ambitious road program, and one which we believe the people of the State generally will approve. By adopting such a generous campaign it will be possible to construct many miles of improved highway within the borders of the State within the next few years, all of which will be duly appreciated by the public at large. Moreover, we have no doubt the state authorities will work out a plan of action and adopt such materials as will give Pennsylvania the best system of roads of any State in the Union. Pennsylvania is a great State and a wealthy one, and the people are not asking too much when they demand that the present administration give the best in this line hat is possible. We want the Keystone State out of the mud.

TAX RETURNS AND PAYMENTS MARCH 15

That there will be no general extension of time beyond the 15th of March, for the filing of returns and for the payment of Income and Excess Profits taxes due on that date, is the decision of Daniel C. Reper, Commissioner of Internal Revenue. The announcement was made today by C. C. Lewellyn, Collector of Internal Revenue for the 32rd District of Pennsylvania.

"It is necessary to get the initial tax payments in by March 15 says Commissioner Roper. "No other course is possible. Some months ago, the Treasury issued certificates of indebtedness to an amount approximating $800,000,000, maturing March 15th. The first payment of the Income and Excess Profits Taxes for 1918 was planned for that date, to meet this huge obligation.

"The Internal Revenue Bureau must carry out the program prescribed in the new law, which requires all returns for 1918 to be filled on or before March 15th, 1919 and requires the first quarterly payment or the entire payment to bemade on or before t hat date.

"Every taxpayer who can possibly do so is urged to make full payment of his income tax on or before March 15th. The quarterly payment method is intended for taxpayers whose financing of the at one time would tend to upset local financial conditions.

"The forms for the tax returns are being printed and all forms will be in the hands of Collectors between February 1 5th and March 1st.

The Congressional Record these days is not such an uninteresting periodical as some people might think The Senate chamber is a political forum and some of the speeches now being made by members indicate that partisan politics are coming rapidly to the fore. As it is, plenty of ammunition is being made for the Presidential campaign of next year.

MAJOR JOHN AIKEN MAY BE HOME SOON

A card has been received by friends from Major John Aiken of the 110th Infantry, 28th Division, written from Verdun and dated January 25, in which he says, "We expect to be with you soon. I am on my way back from the Army of Occupation." This would indicate that the Major was or his way to an embarkation port to take a vessel for home.

The bus line which formerly ran between Beallsville and the county will be re-established on Wednesday of this week. The motor will make three round trips per week and it is expected to be quite an accommodation to residents along the national pike.

A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Newark, N. J.—"For about three years I suffered from nervous breakdown and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.
